

IN THE BITE[®]

THE PROFESSIONALS' SPORTFISHING MAGAZINE

2024 MEDIA KIT

"In The Bite" is a term embraced by professional boat captains as the ultimate measure of fishing success—the number of "bites" secured in a single day. What sets our publication apart is the caliber and depth of its content. The *InTheBite* brand, encompassing print, digital and social media, is dedicated to delivering timely news and substantial insights to professional captains, boat owners, crew, and anglers. This 20+ year commitment has fostered a devoted following within the professional sportfishing community and remarkable market reach.

WHY ADVERTISE WITH *INTHEBITE*?

- Professional captains play a pivotal role in safeguarding a substantial fishing investment, much like Charles Schwab advisors do for financial portfolios.
- *InTheBite* is a unique hybrid, combining the features of a fishing magazine (where and how to fish), a trade publication (career development and lifestyle), and a technical resource for boat ownership (maintenance, operation, and crew employment).
- Those who enlist professional captains and crews heavily rely on their expertise and guidance.
- A captain's budget directly impacts the boat's budget, making them influential decision-makers.
- *InTheBite's* print magazines have a lasting presence on boats, with copies often found on board.
- The content in *InTheBite's* magazines maintains its relevance over time.
- *InTheBite* is circulated among more active sportfishing boats than any other magazine.
